ETICHIRO ODA

When a new product is selling like hotcakes, they'll say, "It's a huge hit!" "A mega-hit!" "Smash hit!" "Colossal hit!!" Which makes me wonder... *Why can't we just call it a home run already?!*
Volume 71 is off with the *crack* of the bat!!

-Eiichiro Oda, 2013

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Oda(A): All right! Let's get ready, folks!
"Start!! The SBS!!"
Yahoo!

Question(Q): Take it back. That's Mr. SBS.
--Kimurin

A: Oh!! S...sorry... Start the...Mr. SBS...

Q: Question. Question for Odacchi. When did Franky become such a pervert? (^▽^)

--Arabiki Sausage

A: Franky was perverted since his previous life.

Q: I found him, Odacchi!!!! In fact, it was surprisingly easy. It's him, Kandre!! Volume 57, page 108, third panel, second from the left! That has to be him!! If I'm wrong, then you have to be crazy. I'm totally right, aren't I?!!

--Teaguechikei

A: That's right. Last volume I told everyone to find him if they had the time. Well, you found him!

Q: Hello! In the Volume 70 SBS, you mentioned the twin brothers Andre/Kandre. That was also famous singer Yosui Inoue's original stage name upon his debut over 40 years ago, right? He even had an afro at the time.

--Was Once a Guitar Lad

A: Yes, that's right. I took the rhyming name from the same place, but as a matter of fact, I had no idea that it was referring to him. I'd just heard the name on TV once years ago. It says that your age is 56, Guitar Lad, so I guess that would explain it, eh? By the way, I originally named Andre after the wrestler Andre the Giant, because I thought they looked alike. Basically, I just make up my names on the spot, ha ha.

Q: In Chapter 700--oh! Good evening, Odacchi. In Chapter 700, when Luffy's crew is sailing to Dressrosa, the waves of the sea look like rabbits, but what does Law like to eat aside from rice balls?

--Hasumomo

A: Ah, he likes, um...Grilled fish! Next question.

Q: I'm curious about something. Robin likes to say scary things out loud. But in her imagination, she's usually thinking of fun, cute things like cats or old ladies in frilly dresses. Why doesn't Robin try to cheer everyone up with her fantasies? That's what I like about Robin.

--Y.O.

A: Ahh, I see. Yes, good point. Given that she scolded Franky for making weird faces in Chopper's body at Punk Hazard, Robin must really like cute faces. But she's a bit socially clumsy, and her attempts to paint a picture with words end up on the creepy side. She's just one of those ladies.

Q: So, who in the Straw Hat Crew can use Haki? I'm so curious, I can't even cause any love hurricanes.

--Kakuharu

A: It's these three. Inside the parentheses are the types they specialize in.

Q: In Chapter 701, Law shows them a map that he claims his crew prepared for him! Could that be referring to Bepo?!! I mean, that does look like a paw print in the corner, doesn't it?

--T. Takaaki

A: Yes, it does. And of course, Bepo is the navigator of the Heart Pirates. He drew the map.

Q: Odacchi! In Volume 70, Chapter 700, Sanji made three rice balls for Law, who hates bread. What was inside each of them?

--Natsuki

A: Well, the first one was tuna and mayonnaise. The next one was okaka (dried and ground Bonito fish with soy sauce), and the last was a super-sour dried plum! By the way, Law also hates sour plums. He had a fight with Sanji a few minutes after that scene.

Q: What's the name of Law's sword? How many tattoos does Law have?! Can you draw all of his tattoos for us, Odacchi?!!! ($\geq \square \leq$)

A: Sure thing. These are from my original sketch notebook. ➡ There's definitely a heart motif going on there. Wonder what's up with that? His katana's name is Kikoku, meaning "demon wail." No special category for it. It's a cursed Blade.

Q: Could you make shaved ice out of Aokiji?

--Dumb Dog

A: Yes, you certainly could. He's ice, after all. But would you really want to eat him? He'd turn Back into Aokiji in your tummy, and BOOM! You're possessed.

Q: Our dad loves Whitebeard. Every night, he comes home drunk, and Mom scolds him. He always says, "I'll decide when I've had enough, gurarara!" But then the next morning, he grovels on the ground before her. How can our dad be cool again?

--Piro&Akke

A: Hmm. Well, he's cool partway through your story, But he's not in the morning. Here's an idea. How about if your mom becomes Whitebeard too, and forgives him by saying, "You may be a fool, But I still love you." Would that work?

Q: My cat is really cute; he loves to hop up on your lap out of nowhere. My father (59) likes to lay his head on my mother's lap to get his ears cleaned, but she hates that.

What is it about men and lap-pillows?

--Neko Robin

A: It's Bumming me out to see so many pathetic dad letters. My theory is that the lap-pillow is a kind of dream, a source of passion. It's like when a climber sees a new mountain to climb. In fact, that's not a theory, it's real!!

THE GLADIATOR IN THE SKULL CAPE.

DID YOU SEE THAT JUST NOW...?

HE'S SO MIGHTY... BUT I DON'T RECALL SEEING HIM HERE BEFORE.

WE JUST WANT HIM TO LOSE ALREADY!!

AND WHY DOESN'T ANYONE ATTACK HIM?!

LOOK AT HIM!!

WHAT'S HE DOING?! DOES HE WANT TO DIE?!

HEH HA HA.

IT'S NEAT
SEEIN' ALL THE
DIFFERENT GUYS
IN THIS FIGHT,
HEE HEE HEE!!

HEY, WHAT'S
YOUR NAME
AGAIN?

JUST
ANOTHER ONE OF
THE INSOLENT
NEWCOMERS...

...MAN-
EATER
BARTO-
LOMEO.

COMPETITOR
VIEWING
SECTION

IT'S HIS TENDENCY TO
CONSUME OTHERS WITH
RAGE THAT EARNED
HIM THE NICKNAME...

WHY DON'T
YOU JUST...
FORGIVE
THEM AND
GET OVER IT?

NOT
GOING TO
HAPPEN.
THEY
DESERVE
TO DIE.

I NEED NEW ONES!
MINE ARE ALMOST
ILLEGIBLE FROM
THE KNIFE MARKS.

CHECKING
OUT THE BOUNTY
POSTERS OF
THE *WORST*
GENERATION.

AND WHAT'RE
YA DOIN',
CABBAGE?

CAVENDISH.

OH MY, IS THIS
THE OBSERVATION
AREA? GOOD VIEW
OF THE FIGHT.

HMM?

BUT AS YOU SAW
WITH BURGESS,
IT'S POSSIBLE TO
HIDE YOUR FACE
HERE.

I GUESS IT
WOULD BE FASTER
TO JUST WAIT FOR
THEM TO WIN...

...I'D COUNTED
ON AT LEAST
ONE OF THEM
SHOWING UP TO
COMPETE...

GIVEN
THE PRIZE
IN THIS
TOURNEY...

(Haru, Nagano)

Q: Odacchi, did you eat some toilet paper this morning?

--Haribo Monet

A: Ack!?! There's leftover toilet paper stuck on the side of my mouth!?! Excuse me.

Q: I've thought of some birthdays for Caesar and Monet!

Caesar: April 9th

Monet: August 27th How's that? Is that okay?

--Nakamurider

A: Sure. (picks nose)

Q: There was a mention of a freelance writer named "Absa" in Chapter 700. That's Absalom, right? Right? I mean, there's a ship in that panel, right? Right? What other pervy...incredible scoops, what pervy...moving stories, what pervy articles has he written?

--Makino♡Love

A: That's right, it's ABSalom. Doesn't it bring you back? As a matter of fact, he was at the Paramount War. After the battle was over, Doflamingo mentioned something about Moria meeting a strange fate. Why was that, do you suppose? I'm worried about Perona too. Did Moria really die? All we can confirm at this time is that Absalom is using his Clear-Clear Fruit to provide the world with major scoops under the penname "Absa." I'm sure he gets all kinds of pictures. It seems the menfolk enjoy his articles quite a bit. Well, enough of this edition of the Perv-BS! See you next volume!!
